Specification					
Image					
Name	Nitrile Glove				
Type	Powder-free, latex free, and non-sterile.				
Size	XS, S, M, L & XL				
Material	Nitrile				
Design	Ambidextrous, beaded cuff and fingertip textured surface				
Color	Blue				
Packing	100 pieces per inner box, 10 inner boxes per outer carton, 1000pcs per outer carton 1400 cartons/20'GP, 2800 cartons/40'GP, 3400 cartons/40HQ; Inner box dimension: 9.45*4.92*2.76" (240mm*125mm*70mm) Outer carton dimension: 14.37*10.43*10" (365mm*265mm*255mm)				
Physical Properties					
Size	Length	Width	Thickness		
			Cuff-Ref only	Palm	Finger
XS	9.45" (240mm)	2.95"±0.12 (75±3mm)	2.36mil (0.06mm)	2.76mil (0.07mm)	3.54mil (0.09mm)
S		3.35"±0.12 (85±3mm)			
M		3.74"±0.12 (95±3mm)			
L		4.13"±0.12 (105±3mm)			
XL		4.53"±0.12 (115±3mm)			
Before Aging	Tensile Strength: 15Mpa(Min)			Elongation: 500%	
After Aging	Tensile Strength: 14Mpa(Min)			Elongation: 400%	
Features & Benefits					
* Superior Resistance: Anti-Puncture, not easy to break					
* Good Elasticity: Strong adhesion, Good flexibility					
* Fingertip textured: Non-Slip, increase friction, provides a good firm gripper force					
* Non-sterile: Non-invasive procedures only					
* Powder Free & 100% Latex Free					
* Ambidextrous & Easy Dispense Box					
* 510K certified					
* Bar-Coded for Inventory Control					
* Chemical resistant					
Storage and Shelf-Life					
* Protect from freezing, avoid excessive heat. Keep dry					
* Products should be shielded from direct sunlight, fluorescent lighting, x-rays, moisture and ozone.
